**The Workshop**

The workshop will be held at the Council Chamber, Sackville Building, University of Manchester, on May 20, 2013, from 10.00hs to 18.00hs. It will consist of five talks. Each talk is expected to last approximately an hour, with 45 minutes for presentation and 15 minutes for general discussion. The total number of participants will be limited to around 50. Participants are expected to attend the whole meeting and engage in the discussion. Attendance of doctoral students and early career researchers is financially supported and strongly encouraged.

Refreshments and lunch will be served at the workshop venue.

**Travel and Accommodation**

Accommodation at a convenient location will be reserved on request for a small number of doctoral students. Travel expenses will be covered for a selected number of doctoral students and early career researchers. Places are limited, so an early application is recommended.

**Application and Registration**

To register, please contact the Organisers:

Eleonora Fichera (eleonora.fichera@manchester.ac.uk)
Mario Pezzino (mario.pezzino@manchester.ac.uk)
Alejandro Saporiti (alejandro.saporiti@manchester.ac.uk)

Doctoral students and early career researchers, who wish to apply for accommodation/travel expenses reimbursement, please send your CV and a short description of your research before 1 May 2013.
